### Product Information

**INSTANT AMAIZE<sup>®</sup> PORRIDGE** is a proud product of **Powerforce Products<sup>™</sup>** and we aim to provide a delicious nutritional meal. Our instant maize porridge is filled with all the right nutritional sources and is also high in Energy.

By adding **INSTANT AMAIZE<sup>®</sup> PORRIDGE** to your diet, you are filling your plate with a meal that provides sustenance and nutrients.

Good nutrition can also reduce the likelihood of developing other health problems.

**INSTANT AMAIZE<sup>®</sup> PORRIDGE** is perfect for filling tummies, a delicious food to provide sustainable energy for the day and is an economical and affordable food.

Our Porridge is creamy, tasty and a nourishing breakfast. It is conveniently packed and easy to prepare, just add some hot or cold water and enjoy! Milk, sugar and salt already added.

**INSTANT AMAIZE<sup>®</sup> PORRIDGE** is one of the best starter porridges you can give your baby. The very smooth texture makes it easy to swallow, and well tolerated by most babies.

Maize is highly rich in carbohydrates. Many people would prefer maize to other energy foods to supply them with energy. Being a starchy food, it releases energy slowly in the blood stream ensuring that you stay energized the whole day.
